

SANLORENZO

Passion for the sea bears the name of 52Steel

Sanlorenzo's Superyacht Division records the sale of the ninth unit of one of the industry's most sought-after superyachts

Press release, June 2022 - **Sanlorenzo's Superyacht Division** achieves a further success and confirms its leadership in the metal yacht sector with the **sale of the ninth unit of the 52Steel line**, a model of undisputed elegance. The new superyacht will be **delivered** to its owner in **spring 2025**.

The sale of this new 52Steel was finalised through broker house IYC and **reconfirms the prestige of Sanlorenzo** and the Superyacht Division worldwide, which currently has **40 vessels under sail** and **25 under construction**.

Sanlorenzo once again succeeds in expressing its experience, craftsmanship and stylistic innovation-oriented research in realising the type of vessel capable of giving the owner the most authentic sense of adventure on the open sea, as well as maximum autonomy in navigation.

Sanlorenzo 52Steel is an icon, a five-deck yacht that is **one of the industry's greatest successes**, achieving widespread accolades in a short space of time while also winning several awards for its styling and design. To this day, 52Steel continues to enjoy extensive admiration in the nautical world and to be loved by owners who are passionate about life at sea.
